About

This is the about section's introduction.
This is the second paragraph in the about section's intro.

How does it work?

This is all about how the page works. Users request bugs or features to be implemented.

What counts as a bug/feature?

Here we define what a bug is and what a feature is.
Here it is mentioned that features/upvoting a feature costs.

Contact

Now for the contact section. This is merely giving the email address.
